

VACCINE TRAINING PODCAST, STILL OPEN!

The Western Cape Department of Health: People Development Centre, is offering a 4-hour comprehensive podcast on the COVID-19 vaccine training, with content aligned to the NDOH training package and specific reference to the Western Cape policies, framework and messaging. The podcast will be followed by weekly 1- hour update sessions for Phase 1.

All staff will receive a certificate of attendance (4-CPD points are awarded for attending the podcast, and 1-CPD point for each update session) It is very important for all staff to attend the podcast and update sessions.

REGISTRATION FOR THE COVID-19 VACCINE TRAINING PODCAST IS STILL OPEN!

If you have not been registered yet, please request a registration form by emailing:
