A stethoscope is positioned on a laptop screen. The screen displays a network diagram with blue nodes and connecting lines. In the background, a person in a white lab coat is holding a document. The overall scene is brightly lit, suggesting a clinical or office environment.

EXCLUSIVE POINT-OF-SALE DEVICE OFFER FOR **MEDICAL PROFESSIONALS**

Whether you are **starting a practice** or investing in new premises or equipment, we have a **wealth of medical industry expertise** to support you. From setting up a **medical practice account and financing your medical equipment**, to accessing a **wealth expert** for your investment or insurance needs, we are there to help you with all your medical practice needs.

We have an exclusive point-of-sale device (POS) offer for you.

As a practicing medical professional, you need a POS solution to help you with:

- **reducing cash** in your business (better security); and
- **increasing foot traffic in your business** by offering payment alternatives that can give you **real-time or same-day** value on your transactions.

Simply **choose the device that best suits your needs** and we will **waive our service and installation fees**. Furthermore, we have **negotiated better rates** for clients choosing to take only our POS solution, and **even better rates** for our transactional banked medical clients.

Exclusive offer	POS device options (Your banker can help you make the right device choice.)	
	Desktop devices  ICT250	Mobile devices  IWL255
